

PT-80 Labelling Machine

The PT-80, with its ergonomic design and stylish looks, is just what's needed to organise your home and home office.

- Handheld portable design
- Large LCD preview screen
- Handy time and date function
- Uses 9mm & 12mm width M tape
- 5 automatic formats

Get organised with the P-touch 80

It's lightweight, easy to use and compact enough to be handheld or used on a desk top. It can print labels with two lines and has a large LCD display, making it easy to preview your label before printing. The many special features include icons, symbols, frames and lots of useful characters for adding that personal touch to your label. From food containers to files and CD's this labeller is the best way to keep everything tidy and organised in the home.
